

LOBBY & DÉCOR CLEANING

KAY[®] Microfiber Cloth

Item #: 92213660 - 20 cloths

WIPE AWAY SURFACE SOILS

Cleaning lobby and décor surfaces safely and effectively has never been easier with the superior cleaning performance of the KAY Microfiber Cloth. The lint-free, non-woven cloth is gentle enough to use on typical décor and lobby surfaces. The cloth is durable and reusable, making it ideal for cleaning and polishing.

- ▲ Effectively removes soils on leather, vinyl and vinyl-like surfaces*
- ▲ Quickly removes dust and fingerprints from LCD screens, POS monitors and other hard surfaces
- ▲ May be used dry or with approved Ecolab cleaning solution

APPLICATIONS:
